

The Florida Fish and Wildlife Conservation Commission

Invites you to attend an introduction to the
Coastal Wildlife Conservation Initiative
for our Partners in the Western Panhandle

Hosted by Florida Sea Grant

Tuesday, May 24th (for non-government)
5:30 – 8:30 p.m.

or

Wednesday, May 25th (for government)
9:00 a.m. – 12:00

[UWF Conference Center, University of West Florida](#)
11000 University Pkwy, Pensacola / 850.474.2604

The Coastal Wildlife Conservation Initiative is an FWC-led program
with the mission of:

*Ensuring the long-term conservation of native wildlife in coastal ecosystems
throughout Florida in balance with human activities*

Join us to discuss a partnership & strategies to address coastal
issues of concern.
