

MINGLE EVENT ROOM

With over 1300 square feet of open concept event space - our venue was intentionally designed to feel casual yet sophisticated.

The space combines modern industrial architecture with warm and inviting details including exposed steel beams, soaring ceilings, abundant natural light, elegant drapery, and thoughtfully curated finishes.

The result is a venue that feels polished enough for professional events yet welcoming enough for life's most meaningful celebrations.

The Mingle Event Room works for a fun filled celebration, a beautifully styled rehearsal dinner, productive business meeting, creative workshop and more.

The possibilities are endless!
