

VACAYZEN

Summer Internship Program

2023

Welcome to Vacayzen

The Vacayzen Internship Program offers a summer experience unlike any other. Gain real-world business knowledge and hands on experience while working and living on Florida's emerald coast!

Vacayzen is dedicated to providing our customers with the best vacation possible. The unique products, services, and experiences help create an unparalleled escape. Vacayzen has been serving the visitors of Northwest Florida since 2012.

Listed below are the available work experiences that we offer for the summer of 2023:

- Customer Service & Sales
- Business Operations & Logistics
- Marketing
- Hospitality & Events

All of these internship positions come with the unique opportunity to work adventures and camps such as bonfires and surf camps for extra compensation and experiences that will be remembered for years to come.

VACAYZEN

Vacayzen Revolutionizes Vacations

Vacayzen is revolutionizing the traditional vacation. Our customers are tired of spending countless hours packing for vacation and spending even more time unpacking when they arrive at their destination. Vacayzen has developed a strategy to solve this headache.

Vacayzen offers everything a group may need for their vacation. All reservations are delivered to the guest the day they arrive and are picked upon their departure. Our customers no longer need to pack their vehicles and suitcases with bulky equipment for their family. Everything will be ready when they get into town and immediately available to enjoy! Along with vacationing gear, we also offer a variety of experiences and services to make any vacation more memorable!

Serviced Areas:

- Destin
- Miramar
- 30A
- Santa Rosa Beach
- Panama City Beach

Work Opportunities

Our internship offers a variety of work to fit whatever your internship goals may be. Whether you are hoping for a summer with opportunities to learn the ins and outs of small business operations, or just looking for a summer full of fun, this program is made for you!

Our interns work fun jobs serving the best customers in the best location. This internship program also offers extremely competitive pay with a variety of responsibilities to maximize your pay. Additionally, we offer housing options close to work and within walking distance to the beach.

Work Opportunities:

- **Business Operations & Logistics:** Members of this team will work out of our warehouse with the director of operations. The employees are responsible for leading our daily delivery routes and gaining experience within the logistics department on a daily basis. You will be accountable for your truck and ensuring every guest on your route has all of their needs met.
- **Sales & Guest Services:** This internship opportunity will be within the Sales portion of business operations. There will also be a responsibility for taking new sale orders and helping guests with existing orders. This employee will need to coordinate with the Director of Sales and Customer Service Specialists in order to give our guests the best experience during their scheduled visit to 30A.
- **Marketing:** This internship will be a split position that will provide the intern with marketing and customer service experience. The first half of this job will be within the marketing department. This employee will need to coordinate with the Marketing Coordinator in order to expand Vacayzen's customer reach and enhance brand awareness. The other half of this internship opportunity will be within the Customer and Sales portion of business operations. This employee will need to coordinate with the Director of Sales and Customer Service Specialists in order to give our guests the best experience during their scheduled visit to 30A.

VACAYZEN

Housing Arrangements and Compensation

Vacayzen offers every intern an option for housing in the Santa Rosa Beach, FL area. Our summer houses are some of the most memorable experiences that you will ever have. You will get a chance to live alongside new best friends for the entirety of the summer in close proximity to the beach! Many of our present employees have gone through the internship program and can attest that it is a truly amazing experience for college students.

Vacayzen understands how difficult it is to find housing in this specific area of Northwest Florida and that is why we have this arrangement available. Rent will be **\$475 per month** over the three months that you stay at the properties with a \$475 security deposit for cleaning and damage control at the end of the summer.

We understand the financial side of any internship is important when moving to a new location. We only recruit the most qualified candidates and compensate appropriately. Hourly pay for all interns is set at **\$15 per hour**. However, this does not include if interns decide to work events such as bonfires and surf camps, which can **range from \$75-\$135 + tips** per event worked. In addition, there is a commission structure for sales made. This gives the unique opportunity for our interns to make much more than their base compensation.

If interested in this incredible internship opportunity, please send a copy of your resume to devin.p@vacayzen.com.
